

MAJOR PROJECT CONSTRUCTION

MAJOR PROJECTS

- Green field facility & wellsite construction
- Brown field facility & wellsite expansion
- Modular process building pre-wire
- Modular pipe rack modules pre-wire
- Modular E-House fabrication & pre-wire (including skid & building)
- Power generation packages
- Low & medium voltage power distribution equipment installations
- Commissioning & start-up
- Decommissioning
- Quality control

RENEWABLES & SOLAR

- Wholesale PV wire supply (RPVU)
- Solar wiring harness fabrication shop services
- Electrical field construction
- SCADA & communications
- Solar operations & maintenance (O&M) support
- Solar combiner boxes
- Battery Energy Storage Systems (BESS)
